To Hold Public Hearing On Annexation Dec. 16

On December 16, 1971, the State Boundary Commission will conduct a public hearing on the proposed annexation of certain territory situated in Grayling Township, Crawford County, by the City of Grayling. A copy of the map and legal description of the area proposed to be annexed may be obtained from the Boundary Commission. The 8:30 p.m. hearing will be held in the Grayling City Hall, 103 James Street, Grayling.

The public hearing is being held to comply with section 8 of Public Act 191 of 1968, the Boundary Commission Act, and section 9 (2) of Public Act 219 of 1970, the annexation act, which specify that the Commission must hold a public hearing on annexation petitions not less than 60 nor more than 180 days from the date of filing.

The hearing will give the residents of the Grayling Township Grayling area an opportunity to contribute information and testimony on the proposed annexation and the 18 criteria contained in section 9 of the Boundary Commission Act. A copy of these criteria is enclosed.

The Boundary Commission will not reach any conclusions or make any determinations until after the December 16, 1971, public hearing. The Commission has several options. They can deny the petition, approve it as submitted or approve it with boundary adjustments.

Second River Use Hearing In Lansing

The second in a series of hearings on proposed river use rules, has been announced by the Michigan Department of Natural Resources.

The hearing will be held on Wednesday, Dec. 1, starting at 1:30 p.m. in the auditorium of the Seven Story Office Building located behind the State Capitol, in Lansing.

The proposed rules which would restrict the use of canoes and other watercraft on portions of the Ausable, Manistee, Pine and Pere Marquette, was brought about because of a conflict of river use between fishermen and property owners, with canoeists and other boaters.

Nearly 300 persons attended the first hearing on the issue, held in Cadillac on Oct. 28, which lasted nearly five hours.

The DNR said of the 57 witnesses who voiced opinions, 32 spoke against the proposed regulations, 19 favored them and six were neutral. According to the department, about 250 letters have been received with the pro and con count running about even.

The DNR has given Grayling Radio permission to broadcast the hearing live.

In lieu of presentation at the hearing, comments may be submitted in writing by Dec. 1, to the Department of Natural Resources, Steven T. Mason Building, Lansing 48926.

A third hearing will be held on or about Feb. 1, 1972 in Lansing; date, time and place to be announced later.

Copies of the tentative rules are available upon request from the DNR in Lansing, or from the Regional Office of the DNR, in Roscommon.

Seven Vikings Named to All-League Grid Squad

Seven Viking grid players were honored for their play this past season in the Northern Lower Michigan League when they were named to the All-League team, at the annual coaches meeting.

The Vikings had three players named to the offensive team, with one honorable mention, and placed three on the defensive squad.

Jim Tobin lead all players in the balloting as he was the only unanimous choice in this season's selections. During the year, Tobin, at his free safety position, lead the league with 13 pass interceptions, and picked up over 800 yards in punt, kick-off and interception returns.

Terry Fitzpatrick was named to the quarterback slot of the dream team, with hard running Kim Parkinson getting the full-back nod. Mike McNamara is the only offensive lineman receiving all-league first team honors.

Dan McIsaac received honorable mention to round out the offensive team for the Vikings. Fitzpatrick and Parkinson's running was done primarily through holes opened by the double team blocking by McIsaac and McNamara.

Rob Vollmer was placed at a defensive tackle post, and Dave White gained a line-backer slot on the defensive first team. Both were instrumental in the Viking's defensive effort this year, which allowed only 12 points in five league games.

Clinics To Be Established For Area Mental Health Services

Local mental health services for residents of Crawford, Muskegon, Roscommon and Wexford counties will be available by January 1, reports E. Gordon Yudashkin, M.D., director, Michigan Department of Mental Health.

Under terms of an agreement between the Department and a nonprofit corporation called North Central Michigan Mental Health Centers, a clinic and administrative office will be established in Cadillac and a branch clinic will be opened in Grayling.

The state mental health department will pay for professional staff; local funds will pay for office space, secretarial staff, and other operating expenses.

Lisle Earl, a social worker formerly on the staff of the Northwest Michigan Child Guidance Clinic, Traverse City, has been named administrative director for the two centers. He is currently recruiting other professional staff and completing necessary planning prior to the official opening.

Development of the program began a year and a half ago through organization of the nonprofit corporation composed of area citizens concerned about limited mental health services available. The organization's board of directors has representation from each of the four counties.

To further representation, local bi-county advisory committees were formed: Crawford-Roscommon and Muskegon-Wexford. These committees are working to inform residents of the four-county area about the program, recommend actions and policies to the board of directors, and assist in the raising of local funds to support the program.

A training workshop for the board of directors, advisory boards and interested persons will be held in Houghton Lake December 10. Dr. Yudashkin will be the principal speaker at the workshop.

Services provided by the Mental Health Centers will include consultation, community information-education, screening-evaluation, treatment-rehabilitation, and aftercare services for persons returning from state hospitals. Services will be available to community agencies, volunteer groups, families and individuals and will be provided by trained mental health professionals, paraprofessionals and (See Mental Health on Page 8)

Gray-Lee Judo Club Champs

Pictured above, front row, left: Judy Kovicka, 1st place; Sharon Barber, 3rd place; Cindy Decker, 1st place. Second row: Robert Vollmer, 1st place, heavyweight Sr. man; Stanley Riggs, David Barber, 1st place and Robert Wargo, 2nd place. Not present for picture were Mark Qualls, 1st place and Mutt Schaefer, 3rd place.

The club is open now for new members, there is no age limit (seven and up). You may work out on the mats just for exercise or competition. Everybody welcome.

Bloodmobile To Be Here Nov. 30

When the Red Cross bloodmobile visits Grayling on November 30, 1971, you will probably ask yourself, why should I give blood to the Red Cross. Many people at one time or another have asked this same question. Unfortunately, many have not thought out its answer.

When you give blood at a Red Cross bloodmobile, you are not giving your blood to the Red Cross, you are giving it through the Red Cross. You are giving it to your friends, neighbors, and maybe someone in your own family.

Because you live in Crawford County, which participates in the Lansing Regional Red Cross Blood Program, the total blood needs of you, your immediate family, and your fellow county residents are covered, whether the need arises at home or away.

KIRTLAND WORKS WITH SOCIAL SERVICE CAMPS

On November 8th, Kirtland Community College began a program for selected youth at the youth service camps, Nokomis at Houghton Lake and LaVictoire at Grayling. The classes the students are involved in are welding and machining. These classes are held on Kirtland's campus, for laboratory experiences, on Saturdays for six hours, and also held at the camps two evenings per week.

The objective of the program is to train these students for entry into the job field, so that they might have a usable skill when they return to their home communities. Although the goal is to train them for employment, one of the other aspects of the program is to provide them with educational background so that they might want to pursue further education at a technical school, community college, or apprentice program, in their community.

Santa to Visit Grayling and Frederic Children on Dec. 4

Santa Claus advised the Grayling Regional Chamber of Commerce that he will be in downtown Grayling at 11:00 a.m., Saturday, Dec. 4th, and in Frederic at 12:30 p.m. that same day.

He advised the Chamber office that he is in very good health, and that his reindeer are anxiously awaiting his trip on Christmas Eve. Santa Claus further stated that he is looking forward to visiting Grayling and Frederic, and seeing all the children of the region.

The Grayling and Frederic Post Offices are making regular mail deliveries to the North Pole. The Chamber of Commerce office is also forwarding mail to the North Pole. If anyone wishes to drop off their mail in the Chamber office, it will be included in mail being sent on to the North Pole.

1971 Red Coat Roundup Termined A Complete Success

The Red Coat Roundup was called a complete success by its sponsors, the Grayling Regional Chamber of Commerce. Hunting pressure was down between 30% and 40% for the Opening Day as compared with last year, but the number of deer on the Buck Pole was equal to last year and the number of deer with large racks was better than last year.

The heaviest deer on the pole was a 168 lb. buck shot by Larry Stafford of Ferndale, Mich. He was the recipient of \$25 in gift certificates.

The largest racked buck was shot by Richard Aebel of Utica, Mich. The deer sported a 10 pt. perfect rack. Mr. Aebel was the recipient of \$50 in gift certificates.

Volunteer Aid Program

A meeting was held November 18, at 2:00 p.m., with the volunteer aids, at the Grayling Elementary School. Mr. Nunn opened the program, with a discussion on how the program has been going. He also had a question and answer period during his discussion.

Mr. Ingvarsson and Miss Whipple worked with the aids and had group discussions on how to use materials properly and how to have more effective lesson planning. Suggestions were made and discussed.

The turnout for this meeting was very encouraging and we would like to have more volunteers to work with our program. If you would like more information, call Grayling Elementary School.

Federal Aid For County Roads

Crawford County will receive \$46,779 in federal aid in fiscal 1972-73 for work on county roads, according to figures released by the State Highway Commission. Michigan's 83 counties will get \$7,450,378.

The sum is the counties' 68 percent share of \$11,288,452 allocated to Michigan for improvements to secondary roads. The Commission will spend 1 1/4 percent of the remaining \$3,838,074 on planning and research and the rest on state highways not on the Interstate freeway or primary systems.

Division of the money among the counties is based on a formula that gives equal weight to each county's population, land area and county road mileage.

Holiday Blood Donor Drive

During the Holiday Season the nations blood supply reaches about 50% of needed blood. It is also a time when the demand is the highest. This is one of the many reasons the American Legion has launched the "Holiday Blood Donor Drive" from Dec. 7th, Pearl Harbor Day, through January 7th, 1972.

As Grayling Post 106, The American Legion does not have an American Legion Blood Program we work with and support the American Red Cross Regional Blood Bank.

The Bloodmobile will be in Grayling on Nov. 30th, 1971, 12:00 noon until 6:00 p.m. at The American Legion Post Home, 103 James St.

As Post 106 Blood and Vital Organs Committee Chairman, I would like to urge all members to donate blood at this time. Those unable to donate may be able to help in other ways, furnish transportation for donors, help in setting up the hall, help in taking down the necessary equipment.

The holiday are at hand and we are inclined to be wrapped up in the activities of the season and may not want to take the time to donate the blood but the service men and women, veterans and people in hospitals need for blood does not take a Holiday.

Will you help to make this year a little brighter for them by giving an hour of your time and a pint of blood on Nov. 30? Eleanor S. Filley, Blood & Vital Organs Comm. Chairman

Thanksgiving Eve Service

The Michelson Memorial Church will hold their Annual Thanksgiving Eve Service on Wednesday, Nov. 24th, at 7:30 p.m. at the Church. Special music, message, and thanksgiving period of sharing will highlight the service. The community is welcome to attend and make this a truly thankful Thanksgiving.

John B. Huss Appointed Prosecutor

John B. Huss, 31, of Ann Arbor will take over the duties of Crawford County Prosecuting Attorney on December 1st.

Mr. Huss was appointed to the office by the Honorable Circuit Judge Dennis J. O'Keefe, to fill the vacancy following the resignation of Prosecutor Bruce B. Benson.

Since 1969 he has been an Assistant Prosecuting Attorney for Washtenaw County where he was responsible for the trial of misdemeanor offenses, the preliminary examination and trial of felony cases. Rendered legal advice and counsel to the Board of Commissioners and other County agencies including extensive labor relations negotiations.

Mr. Huss was born in Ann Arbor where he graduated from high school. He received his BA degree in 1962 from the University of Michigan with a major in Pre-Legal studies.

He received a Bachelor of Law and Juris Doctorate from Wayne State University Law School and was semi-finalist in Moot Court Competition.

Mr. Huss was admitted to the Michigan Bar in December 1968.

He and his wife Sharon have three children, Andy, 7; Pete, 4; and Julie, 2. They will be moving here immediately, having purchased a home in the area.

Meet The New School Teachers

Garry Barrow is Grayling High School's new Art instructor. Although new to the teaching profession, Mr. Barrow brings a rich background into the Art field. After earning an associate degree in Art at Ferris State College, Mr. Barrow set out originally to be a commercial artist, doing advertising layout and illustration in the Detroit area.

After trying his hand at commercial art, Mr. Barrow decided to return to college and earn his Baccalaureate Degree and teaching certificate.

Mr. Barrow is married and has one child. He and his family have rented a home on Michigan Avenue.

Gaylord Here Tuesday, Nov. 30

Basketball madness returns this Wednesday evening, Nov. 24, when the Grayling Vikings journey to Roscommon for their traditional opener with the Bucks in a non-conference clash.

The non-league affair with the Bucks will be the first game for both squads, before starting their run for league honors, Grayling in the Northern Lower Michigan League and Roscommon in the newly formed Jack Pine Conference.

Grayling will have one more

non-league encounter before entering league play when they entertain the Gaylord Blue Devils, Tuesday, Nov. 30, to renew an old rivalry, after an absence of four years.

Starting the 1972-73 season, the Vikings will join Gaylord when they move into the Michigan-Huron Shores Conference along with, Boyne City, Charlevoix, Petoskey, Cheboygan, St. Ignace and Rogers City.

Coach Tom St. Germain will have his starting five from last year returning intact for the opener at Roscommon.

Jim Tobin, 5'6", senior guard, will again spearhead the Viking cagers, in their quest for a third straight conference title. Tobin finished last season with a 30 point average, in leading the Vikings to a 17-4 record.

The other four starters from last year joining Tobin, will be, Kim Parkinson, 6'0" senior, at the other guard post, Terry Fitzpatrick, 6.0, junior at center, with Dan McIsaac, 6'2, junior and Wayne Westervelt, 6'2, sophomore, at forwards.

Other varsity players to see action this season include: Larry Neilson, Bert Kaiser, Mike McNamara, Bill Wedeman, Chris Dunkley, Mike Hoffman and Bob Miller.

JV coach Howard Lehti, will have a 12 member squad to choose from when they also open at Roscommon.

Making up this year's JV team are: sophomores, Randy Sajdak, Jim Bobenmoyer, Jim Benedict, Randy Lavarack, Jim Hulbert, Dee Mead, Curt Woodman and Dan McIsaac. Freshmen who survived the cut in their first attempt include, John Tobin, Mark Hanson, Doug Hinkle and Jon Thompson.

On Thursday, Dec. 2, the Viking freshmen squad, under coach Tom Mills will open their season when they entertain their Gaylord counterparts on the local court, starting at 7:00 p.m.

Christmas Seal Campaign On

Initial contributions to Michigan's 1971 Christmas Seal campaign have passed \$50,000, said John R. Pettibone, President of the Michigan Tuberculosis and Respiratory Disease Association, state Christmas Seal Agency. The figure represents about one third of the campaign goal of \$150,000 and Pettibone said prospects of reaching the goal look good.

Christmas Seal contributions from Crawford County residents at the end of the first four weeks have reached \$500.00, which is 33.3 percent of the total amount (See Campaign on Page 8)

ACTIVITIES AT AUSAGRA ACRES

The senior citizens are having a Bazaar, a Bake Sale, and a Rummage Sale on Friday, Dec. 3rd and Saturday, Dec. 4th at Ausagra Acres from 9:00 a.m. to 9:00 p.m. We have lots of real nice young children's clothes as well as clothes for older people. Anyone having rummage to give us please bring it to Ausagra Acres or call the office and we will pick it up for December 2nd morning. We would like all rummage by December 1st. All senior citizens are expected to donate one or two bazaar items and baked goods.

This is our big event to raise money for our bus fund and for our music box dances. All of you enjoy the various programs and entertainment, so please contribute either baked goods, bazaar items or rummage or some of each for this sale. This is an invitation to all senior citizens in Crawford County to donate — not just the few living at Ausagra Acres.

The public is invited to the bake sale, bazaar and rummage sale on December 3 and 4, 9:00 a.m. to 9:00 p.m. at Ausagra Acres.

Lora Gould, Director

Special Services

Larry and Gail Riley will be having special services, "A Spiritual Happening," at the Grayling Assembly of God, 611 Elm Street, November 28 thru December 13 at 7:00 p.m. (except Mondays and Saturdays).

A warm and friendly invitation to everyone to join in the services is extended by Pastor Clifford Melner.

NOTICE

McPherson - Isenbauer Speak Vows

The marriage vows of Shirley McPherson, daughter of Mr. and Mrs. Perry McPherson of Traverse City, and Gary Isenbauer, son of Mr. and Mrs. Earl Isenbauer of Grayling, were exchanged on Saturday, November 13, at the Reorganized Church of Jesus Christ of Latter Day Saints. Rev. Jay Doty officiated at the two o'clock ceremony.

Jack Pine's Stump

Once again Thanksgiving is upon us. Thanksgiving is more or less the traditional start of the holiday season which doesn't end until New Year's. It's really hard to believe that Christmas is just a month away from Thursday, but it is, and already the merchants are showing Christmas decorations, wrappings and gifts. It's almost indecent to think about Christmas when we haven't even decently buried summer.

— JP —

I like Thanksgiving, but I have to work at it to enjoy it. Too often today we listen to the radio and TV commentators moan and wail about the terrible conditions in the world. I suppose they are right, too. But when you come right down to it, we in Grayling have a lot to be thankful for. Just being alive is one thing, and being able to fish and swim in clean water is another. The fact that we have clear air is something to be double thankful for. And so far in this area we have little to fear from the muggers and hoodlums who actually control much of our larger cities. We can look at the Great Bussing Dispute from afar, safe and thankful in the knowledge it doesn't involve us directly.

We can be thankful for the fact that the voters have given us a new school, and rejoice that our cops aren't on the take as they are in New York. The Vietnam Mistake is slowly being rectified, and draft quotas are down. Much to be thankful for there. We can walk in the forest and see game, unless we happen to be hunting for it, and we have a growing community with new businesses coming in all the time. Jobs are generally easy to find for those who are willing to work and society will help those who aren't so fortunate. The good in man and his willingness to help his fellow man are indeed reasons to be grateful this time of the year. We should be thankful, too, for our wonderful children and friendly citizens around us, for capable teachers and dedicated firemen, for a well-staffed hospital with excellent doctors. I should be foolish to say that there is not room for improvement. Heaven knows there is, but there is so much MORE to be thankful for. So maybe this is the time of the year to say thank you to someone, to let them know that you are grateful. Thanksgiving means giving thanks. And Jack Pine would like to give thanks to all those readers who take the time to read what I think in this column and to express themselves. It means a good deal to any writer.

— JP —

"If at first you don't succeed, so much for skydiving," reads a sign over my desk.

— JP —

Speaking of skydiving, reminds me of flying. Flying reminds me of a time a few weeks ago when I boarded a plane at Saginaw. Behind me sat Sheriff A. R. Clough and one of his fearless deputies, who shall go unnamed. Now the poor deputy had never been in a plane before and I assured him that he had a great deal to fear. The flight to Detroit was a matter of minutes, but I bet to him it took hours. I am not sure, but I don't think

he even fastened his seat belt until we'd been parked at the terminal for three minutes. Anyway it was a dirty trick which was a lot of fun. And it really wasn't fair of me to call him "Deputy Chicken".

— JP —

The President's various phases of wage-price controls are rather interesting, but not understandable. Many food prices aren't frozen, and food constitutes a pretty good hunk of the cost of living index. Anyway, I was annoying one of our local food merchants about this the other day and told him he had a real good deal going for him. "How?" he asked. "Because you can raise the price to the customer, and still get away with not paying the help." He didn't take the remark too kindly, but I was only kidding. For all I know, he just may pay the help.

— JP —

Most readers remember my friend Mushroom Bill, dispenser of concoctions evil and good at Shoppenagons' Reservation. Well, poor Bill has been trying to grow a moustache to celebrate the upcoming Centennial. That's what he says, anyway. Actually, I think he's joined some sort of a contest, but darned if I can find out what it's all about.

Geri-Teen Club

We would like to organize a group of young people who would be interested in helping others—the others being mainly elderly people who you could shop for in winter, run errands, replace light bulbs, so they don't have to climb on a ladder, shovel a walk, get mail, mail letters, put up a Christmas tree, or various little odd "helps" or in some instances just to call on someone regularly and chat a while. Both the senior citizens and the teenager will benefit from the grandparent-grandchild relationship. Your only "pay" would be the feeling of knowing that you had helped to enrich another life and make them happier.

We will have a regular monthly meeting with do's and don'ts and an open discussion of what we can and should do and how to accomplish our task to the mutual satisfaction of all concerned, followed by games and a little fun as a group.

If you are the type of a young person who would really like to help others, not just for today but on a regular once or twice a week basis for the winter, then call me, Lora Gould at 348-9314 or 348-2331 and we will get the Geri-Teen group started.

Our first meeting will be December 1, 1971 at 7:30 p.m. at Ausagra Acres Community room. Every teenager with a big heart who wants to give of himself (or herself) to help others, especially senior citizens — are invited to come.

Attend The Church Of Your Choice ABUNDANCE

Jesus said, "I am come that they might have life, and that they might have it more abundantly."

Now it is a tribute to the intelligence of men that no one thinks He was talking about the material abundance we enjoy today. Everybody knows He was talking about something else.

But what else? What could Christ add to your possessions? What can He give men that might account for the logical distinction we readily make between a life of abundance and the abundant life?

Himself! That's it. That's all. Precisely what He said: "I am come that..."

To know Him and to know the meaning His Life has for our lives is to discover the abundant life!

Does your family use the Church as faithfully as the market?

Day of Thanksgiving

Every nation has its cherished customs and traditions. Some go back to the beginning of Christianity or even further. Some are of more recent origin such as Thanksgiving which had its invention in what is now the United States when a small band of pilgrims, newly landed on the hostile shores of New England, gave thanks for the mere fact of being alive.

Thanksgiving has become a solidly entrenched American institution. It offers firm evidence of the continuity and stability of all that is good and wholesome in U. S. life today. As families and friends gather together to share the joy of Thanksgiving, they should pause to recall the purpose of that first day of thanks participated in by a handful of pilgrims centuries ago. That purpose is an expression of simple appreciation for the fact of survival — of being alive.

We are not only alive today, but we have a nation that attained heights beyond anything the pilgrims could have dreamed. In attaining these heights, our country stands in danger of losing its sense of values. November 25 — Thanksgiving — is an appropriate day to pledge their restoration.

NOTICE SPECIAL HEARING

The Frederic Township Board are calling a Special Hearing for the tax payers and interested citizens of Frederic Township for the purpose of deciding on having a full time Supervisor for assessing or go into the County Assessing.

The Board urges everyone to attend. The meeting will be held Tues., Nov. 30th, 1971 at 8:00 p.m. at the Frederic Town Hall.

No more
dirty
work
with a
self-
cleaning
Gas
range.

Just think of it. You'll never have to get down on your hands and knees to scrape and scrub the dirty, greasy insides of your oven again. Because today's modern Gas ranges have self-cleaning ovens. Forget about baked-on splatters. And rock-it-spills. With a self-cleaning oven all you have to do is turn a knob and the messiest film in your home (even a cleaned) takes care of itself. Give your time to take care of the more pleasant things in your life. But a self-cleaning oven is just one good feature in today's modern Gas range. With Gas you have the advantage of smokeless, closed door broiling, infinite heat control. And best of all, total economy. Because a modern Gas range uses less Gas to do the same job. And a Gas range costs about one-fourth as much to operate as an electric one. So before the holidays, stop by your dealer or any Michigan Consolidated Gas Company showroom, and buy a new Gas range with a full range of features. A new Gas range will save you Gas and money too. And remember, oven cleaning is no job for a lady.

Kirtland Positions Under Emergency Employment Act Grant

Kirtland Community College recently announced that five new employees have been added to the staff, through the Emergency Employment Act, (Omnibus County's attendance in a federal program aimed at reducing the number of unemployed workers.

To insure that the funded agencies would directly aid the locally unemployed, it was stipulated that all people would be hired through the Michigan Emergency Employment Act.

Kirtland is one of several agencies fortunate in having funds allocated to them by the Omnibus County Commissioners. These funds, totaling almost \$25,000, represent 50 percent of the salary which is to be paid the new employees and the remaining 10 percent, including fringe benefits, must be paid by the college.

President Stenger expressed appreciation for Kirtland's opportunity to take part in this project designed to aid the hard-core unemployed, while concurrently, it will improve some of the understaffed areas of the college. With moving into three new buildings recently, the required custodial/maintenance services have more than doubled, with no room in the operating budget for additional staff.

BITS O' TALK

Mike Gardiner is expected to arrive home on Tuesday from Marquette to spend until Sunday of the Thanksgiving holiday with his parents, Mr. and Mrs. Vernon Gardiner and other relatives.

Last Wednesday, the 17th, Myrna Hissong, Onelle Silverthorn and Wilma Sunday drove to Higgins Lake where they joined the "Thursday Luncheon Group" who had chartered a bus which took them to the big Hudson Mall at Flint for the day. A nice time was had by all, as they browsed through the stores and enjoyed lunch and the day.

Women's haircutting, men styling razor cuts, Russ Hubbard's Barber Shop.

The Wednesday Boney club met last week with Mary Houle as hostess. High score for the evening went to Eleanor McIsaac. Mary Deneault had second high and also won the door prize, and hostess Mary Houle had low. The next meeting will be on December 1, with Bonnie Kucharski as hostess.

WINTERS HERE! Get a tune-up and grease job on your snow machine at J. & J. Sales & Service, a division of Airport Auto, U. S. 27 North.

Scott McEvers celebrated his 10th birthday on Sunday, Nov. 14, so his parents, George and Rita had a family dinner party in honor of the occasion. Those attending were Mrs. George McEvers, Mrs. Carl Harry McEvers, Miss Yolanda, Mr. and Mrs. Marjorie Rogala and Grandmother Worley. A nice time was enjoyed by all.

Beware of Ice On X-way Bridges
LANSING — Early morning motorists may encounter ice on highway bridges in late fall and winter, even in good weather, the Department of State Highways has warned.
Starting in late fall when night temperatures drop below freezing, moisture on bridges may freeze, causing ice even though the rest of the highway is clear and dry.
Highways are warmed by residual ground heat but bridges are subject to freezing temperatures from all sides.
Highway Department night patrolmen try to anticipate conditions leading to bridge icing and spread salt where freezing may occur.
Signs warning motorists of the possibility of ice on bridges have been posted near freeway bridges. The hazard exists on all highways.

Thayer Heads Credit Union

CREDIT UNION — Arthur Thayer, right, new president of the Crawford County Federal Credit Union, is presenting Ken Moore, left, Bear Archery employee, and Jim Ott, center, Mercy Hospital purchasing agent, certificates of appointment to the Board of Directors of the Credit Union.

The Board of Directors of the Crawford County Federal Credit Union last Wednesday elevated Arthur Thayer to the presidency of the credit union to fill a vacancy created by the resignation of former president Roger Kneff, who has gone to Texas for the winter. John Keir was elected vice-president to succeed Mr.

Thayer in that position. Mr. Thayer is a teacher at Grayling High School while Mr. Keir is the County Highway Engineer.
One of the first acts of the new president was the appointment of Ken Moore, a Bear Archery employee, and Jim Ott, Mercy Hospital purchasing agent, to fill vacancies on the board.

During the past summer the credit union members from the City of Grayling, Mercy Hospital, and Crawford County Road Commission have gained payroll deduction privileges for savings and loan repayment. 155 new members have been added and the assets of the credit union have increased 100% so far this year.

Any person living or working in Crawford County is eligible for membership, whether or not they work where payroll deductions are available. The biggest need of the credit union at this time is savings. Without more savings, money to loan may become hard to get.

Draft Ceiling Set For 1971

Random sequence number 125 has been set as the year-end ceiling for 1971 draft calls, it has been announced by Arthur A. Holmes, state director of Selective Service.

Class I-A registrants who are 20 years of age or older with RSN 125 or below who are not inducted in 1971 will have their liability for induction extended into 1972. They will be subject to induction during 1972 along with other men who are in the extended priority selection group.

Other registrants in Class I-A during 1971 with RSN 126 and over who have never been assigned to an extended priority group will be transferred to the second priority selection group in 1972 and will not be subject to induction except in a national emergency.

Deferred registrants with RSN 126 and over who have never been assigned to the extended priority group may drop their draft deferments in favor of a 1-A classification during the remainder of 1971. By dropping their deferments, these men complete their exposure to induction in 1971. They will then be transferred to a lower priority in 1972. They would be liable for induction only in a national emergency.

Application forms are available at all draft boards for registrants who wish to request termination of present deferments under this policy. Written requests must be received by local boards no later than December 31, 1971.

This policy applies to deferred registrants such as high school students in 1-S, occupational or technical student deferments in 2-A, agricultural deferments in 2-C, college students in 2-S, divinity students in 2-D or 4-D and hardship deferments in 3-A.

CARD OF THANKS
Thank you, Dr. D. O. Sch, Dr. Henig, Mary Noa and Hospital staff for the wonderful care and needed words; also friends and neighbors for the wonderful cards, flowers and gifts.

4th Grade Imitate First Thanksgiving

The 4th grade classes at the Grayling Elementary School initiated the first Thanksgiving Day feast on Friday, Nov. 19.

They made appropriate costumes for the occasion with two of the classes dressing as pilgrims and the other two classes as Indians; and served the traditional turkey dinner complete with pumpkin pies.

This was held during their lunch period, which they had changed to the hour following the regular scheduled lunch hour.

The 4th grade class from Frederic Elementary School joined them in the feast and a short skit was planned by Frederic.

Kirtland Community College To Host Drive — In Conference

Kirtland Community College will host a one day conference on campus, Friday, Dec. 3, for guidance personnel and counselors from all of northern lower Michigan in cooperation with the Michigan Personnel & Guidance Association (M.P.G.A.). The conference, entitled "No Refund — No Return", will convene at 9:30 a.m. with registration in the auditorium. This meeting will be the "first of its kind" in Northeast Michigan. Counselors, educators, practitioners, placement specialists, Michigan Employment Security representatives, industrialists and community service personnel, who play a dynamic part in the personal career development of youth, will meet to discuss new challenges in guiding students vocationally. As the State Department of Education "thrusters" ahead in the area of Vocational Education — the Guidance Counselors and those working in helping services must also keep pace on new developments in vocational guidance, new concepts, models, funding, approach, scope and role of the counselor. The M.P.G.A. has acknowledged the many positive aspects of this professional exchange.

The group, in the opening session, will be welcomed by Robert Tupper, Dean of Students at Kirtland Community College and

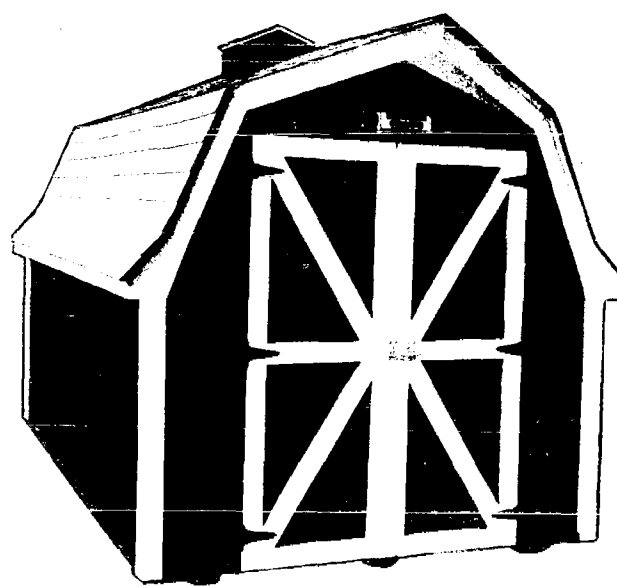

also Treasurer of M.P.G.A. The Presidential message will be given by George Leonard, President, M.P.G.A., and Counselor Educator of Wayne State University. The keynote address is to be delivered by Mr. Don Stevens, Manpower Specialist, M.E.O. (Michigan Economic Opportunity Office) and Chairman of the Board of Trustees of Michigan State University, with his address being "Do educators and others do the job in preparing and guiding students toward eventual realistic, placeable, vocation goals? Other notable and well recognized speakers are also on the agenda for the day-long event.

A luncheon is planned in the Learning Materials Center at Kirtland Community College at Noon, after which the group will return to the Auditorium for smaller group discussions, other speakers in the guidance and counseling field, and a summarization.

Kirtland Community College is proud to have the opportunity to host such a program with M.P.G.A. This will be an educational — vocational experience for all who attend. Interested citizens of the community are welcome to attend also. The agenda and all details are available from Dean Tupper at Kirtland.

Vacation Book Is Available

LANSING — The full story of Michigan as a vacationland is now available for distribution, according to the Michigan Tourist Council.

Designed to sell Michigan as a year-round vacation state, the new 32-page book, "The Seasons and The Seas" was produced by the Michigan Tourist Council.

and was a year in preparation. Spring, summer, fall and winter vacation opportunities and the recreational opportunities of the Great Lakes are featured in the publication which replaces two former vacation booklets, "Magic of Michigan" and "Great Lake Seasons".

Illustrated with full color photos, the book suggests things to see and to do in Michigan during each of the four seasons. Several pages are devoted to the magic of Michigan's inland seas — Lakes Superior, Michigan, Huron and Erie — and still others described the vacation opportunities offered at the state's more than 11-thousand inland lakes.

Copies of the publication, "The Seasons and The Seas", are available without charge from the Michigan Tourist Council, Lansing, Mich. 48926.

Council Proceedings

Special meeting of the City Council held Thursday, November 11, 1971 at the City Hall.

The meeting was called to order by Mayor Pro Tem Robert Bovee at 12:20 p.m.

Councilmen present: Bovee, Golnick, Forbes, Palmer. Councilmen absent: McEvers. Also in attendance: Earl Longworth, Larry Gust, Larry Hunter, Roy Papenfus.

Discussion was held regarding County Assessing. Moved by Golnick supported by Forbes that the City enter into an agreement with Crawford County for Assessing, Building and Zoning Administration at an annual cost to the City of three tenths of one mill on the state equalized valuation effective January 1, 1972 with the transition to be fully completed by April 15, 1972 and with the stipulation that in the event of termination of the agreement the County would be responsible for assessing until after the next Board of Review Meeting following the termination. Yeas all. The motion carried.

Moved by Golnick supported by Palmer to adopt the following resolution and submit same to D.N.R., Trout Unlimited, AuSable Property Owners Association and local canoe liveries. Yeas all. The motion carried.

RESOLUTION

WHEREAS, the Grayling Region has been known for many years throughout the United States as a center for recreational canoeing; WHEREAS, the spring, summer and fall economy of the Grayling Region is dependent on recreational canoeing; WHEREAS, the employment factor of the canoe liveries and all tourist oriented business is dependent upon recreational canoeing during spring, summer and fall; WHEREAS, the Grayling City Council does not believe that recreational canoeing has an adverse effect on the aesthetic and ecological value on the AuSable River (Main Stream, South Branch and North Branch); NOW THEREFORE, be it resolved that the Grayling City Council desires an equitable and fair solution to the Department of Natural Resources' Tentative Proposals on the river use regulations pertaining to the AuSable River — Main Stream, South Branch and North Branch.

Moved by Bovee supported by Golnick to adjourn. Yeas all. The motion carried.

SPECIAL MEETING

Wednesday, Nov. 17, 1971

The meeting was called to order at 7:15 p.m., by President Joseph Burns. Members present: Joseph Burns, Smock, Kolka. Members absent: Johnson, Harwood, Madill. Guests: Mike Koteles, Bud Lotschuls, Gernot Runschke, representing Vander Meiden & Koteles, Architects.

Mr. Koteles announced that the plans for the new building were complete and explained what would be included under the general contract and general contract alternates.

Following is an outline of the explanation:

1. General Contract: The General Contract will include everything shown on Architect's drawings (architectural, structural, mechanical and electrical) and as specified.
2. General Contract Alternate:
 - A. G1: To use Panel-Brik in place of regular brick ("Jumbo-Norman").
 - B. G2: Steel fascia on exterior of building in place of anodized aluminum fascia.
 - C. G3: Omit carpeting throughout building. Prepare concrete floor for carpeting so separate bids may be made.
 - D. G4: Typical classroom unit by Sheldon (American Seating) in place of millwork unit.
 - E. G5: Omit air conditioning in all exterior classrooms, but make provisions for future hook-up of individual air-conditioning units.
3. Separate equipment Contract:
 - A. Auditorium seating - 432 seats.
 - B. State equipment. Under state equipment will be:
 - a. Grand curtain with track dead hung and motor with all necessary items.
 - b. Balance
 - c. Valance
 - d. Asbestos curtain with counterweight and rigging.
 - e. Front curtain dead hung on track.
 - C. Number of rigging sets complete with counterweights, head-blocks.
 - D. Number of side curtains, act curtains with track.

A discussion was held on the time and place for opening bids and it was moved by Smock and seconded by Kolka to open General Construction bids on the new high school at 7:00 p.m., on Tuesday, December 21, 1971, in the High School Library.

These minutes have not been approved and are subject to change.

NOTICE TO BIDDERS

Sealed Bids will be received at the office of the Crawford County Road Commission in Grayling, Michigan, until 10:00 A.M., December 2, 1971, for furnishing the following for the calendar year 1972:

- Item 1: 95,000 gallons of gasoline, 90 octane or better, to be delivered, in 8000 gallon lots F.O.B. County Garage Storage.
- Item 2: 45,000 gallons #1 Diesel Fuel and 35,000 gallons #2 Diesel Fuel, these to be delivered in mixed lots of 8000 gallons, F.O.B. County Storage.
- Item 3: 25,000 gallons of #2 Furnace Oil, to be delivered in lots of 3000 gallons F.O.B. County Storage. Storage located at 320 State Street and 501 Huron Street, Grayling.

Analysis sheets must accompany each bid. All items represent approximately one year's supply.

Bidders may bid each item separately or all items together. The Board reserves the right to reject any or all bids, waive any defects, and accept the Bid or Bids deemed in the best interest of Crawford County.

All Bids must be plainly marked as to their contents.

ABWA Meets

The October meeting of the American Business Women's Association was held at West's Lone Pine Inn with Albert Westervelt of Ray's Canoe Livery as the guest speaker.

His topic was the restrictions to be put on canoeing by the Department of Natural Resources and the effect they would have on Grayling. He urged everyone to attend the hearings if possible or write to the U.N.R. in Lansing if they wish to give an opinion.

One new member, Mrs. Richard Lippard, was installed into the club.

The November meeting will be held on November 16 at Gilbert's Penguin Inn and will be our second anniversary.

A bazaar is planned for November 18.

Mrs. Gloria Rasmussen, recording secretary, presided at the November meeting of the American Business Women's Association as our president was unable to attend due to the birth of a baby daughter on November 12. Congratulations, Laurine.

Mrs. Donald Lantz of Higgins Lake, who is an instructor at Central Michigan University, spoke on the subject of today's young people and their problems and the generation gap.

This was the second anniversary of the chartering of our chapter. Perfect attendance awards for the past year were presented to Lois Morningstar and Helen Johnson. Helen was also the winner of a prize for the most correct answers on an ABWA quiz.

The next meeting will be held at the San Sheri Steak House on December 21. It was decided to donate to a Christmas dinner for a needy family rather than have a gift exchange.

District Court Action

The following appeared in the 33rd District Court last week before Judge Francis L. Walsh:

John J. Farrell, 67, of Gladwin who had earlier pleaded not guilty to a charge of driving under the influence of liquor changed his plea to guilty and was fined \$144.00 fine and costs or 14 days in jail. He was arrested by sheriff's officers on October 7.

Richard H. Beach II, 26, of Marquette was remanded back to District Court from Circuit Court on a charge of possession of marijuana. The prosecution added a count of use of marijuana to which the defendant pleaded guilty and was sentenced to pay \$304.00 fine and costs or spend 30 days in jail. He was arrested by officers from the sheriff's department on September 6.

Richard Moshier, 19, and Edwin Papendick, 18, both of Grayling pleaded not guilty to charges of contributing to the delinquency of a minor and trials by court were requested. \$100 personal recognizance bond was set on both men. City police were the arresting officers on November 12. Papendick also appeared for sentencing on a charge of malicious destruction under \$100.00 and was sentenced to 14 days in jail.

Leonard J. Lobsinger, 20, Michael Case, 20, and Edwin Papendick, 18, all of Grayling pleaded guilty to charges of illegal kill of deer and were sentenced to five days in jail and \$157.00 fine and costs with an additional 14 days if fine and costs are not paid. They were also ordered to split \$125.00 restitution charges. They were arrested by Conservation officers on November 10.

Edward J. LaSota, 29, of Grayling pleaded guilty to leaving the scene of a property damage accident and was sentenced to pay fine and costs of \$84.00 or spend seven days in jail. City

police arrested him on November 10.

Robert E. Taylor, 30, of Traverse City entered a plea of guilty to a reduced charge of impaired driving and was ordered to pay fine and costs of \$124.00 or spend 14 days in jail. He had previously been charged with driving under the influence of liquor to which he had pleaded not guilty and requested a jury trial. Sheriff's officers arrested him on September 12.

Russell Dimick, 63, Lewis G. Studaker, 47, and Randy J. Studaker, 17, all of Crosswell were arraigned on charges of larceny. They all demanded preliminary examination. Bond of \$500.00 each were set for the first two men and the younger Studaker was freed on \$100.00 personal recognizance bond. They were arrested November 14 by Sheriff's officers.

William P. Lane Jr., 23, of Boyne City waived preliminary examination to a charge of uttering and publishing and was bound over to Circuit Court. His bond of \$1,000.00 was continued. He was arrested May 14 by Houghton Lake State Police and earlier demanded examination.

Donald E. Hatcher, 38, of Grayling and Joseph P. Weiss, 20, of Bay City both pleaded guilty to driving under the influence of liquor and were ordered to pay fine and costs of \$144.00 or spend 14 days in jail. City police were the arresting officers. Hatcher on November 12 and Weiss on November 15.

Edward Mattox, 20, of Union Lake waived examination and was bound over to Circuit Court on charges of possession of marijuana, sale of marijuana, carrying a concealed weapon and possession of L.S.D. He also waived preliminary examination and was bound over to Circuit Court on a charge of bond jumping. \$10,000.00 bond on each charge was set (a total of \$50,000.00). He was arrested on July 21 by sheriff's officers.

Dennis W. Everson, 17, of Frederic pleaded guilty to careless driving and was fined \$44.00 fine and costs or five days in jail. He was arrested on November 13 by officers from the sheriff's department.

Robert J. Hoernschmeyer, 46, of Grosse Pointe Farms entered a plea of guilty to being drunk and disorderly and was ordered to pay fine and costs of \$64.00 or spend seven days in jail. Gaylord State Police were the arresting officers on November 14.

William C. Jolly Jr., 44, of Lincoln Park pleaded not guilty to a charge of reckless driving and a jury trial was requested. He was arrested by Gaylord State Police on November 13. He was freed on \$100.00 personal recognizance bond.

James V. Welker, 62, of Romulus pleaded not guilty to a charge of driving under the influence of liquor and a trial by jury was requested. He was arrested by Gaylord State Police on November 13. Bond of \$100.00 was set.

Daniel H. Stillwell, 19, of Grayling appeared for sentencing on a malicious destruction charge of less than \$100.00 and was ordered to pay fine and costs of \$64.00 or spend seven days in jail. He was arrested on a citizen's complaint August 11 and entered a plea of guilty at his arraignment on August 24.

Stewart G. Kalbfleisch, 48, of Grayling who had stood mute and requested a court trial at his arraignment on September 14 pleaded guilty to Count II, impaired driving, and the first count was dismissed. He was ordered to pay fine and costs of \$124.00 or 14 days. Sheriff's officers were the arresting officers on September 14.

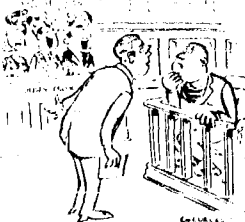

SUNDAY'S SERMON

Be Thankful

There are times when we tend to forget that life is beautiful. Principally, this happens when we become too self-involved. We cannot always avert this happening. The problems of life may close in on us, surround us to the extent that our vision is clouded and our thoughts are distressed. We need in these moments the courage of faith. With faith, we hold to the belief in a better tomorrow and, more immediately, we can find blessings that need be counted. No matter how difficult this moment, there is so much for which we need be thankful, for the yesterdays, for much of today, and for the future.

When we begin to reach outward, we have made the first move to see beyond immediacy, to recognize the beauty of life.
